About Us

The Alumni Association is a non-profit organization, the members are Optometry graduates from the Aalen University especially Master of Science in Vision Science and Business (Optometry).

The annual meeting in Benediktbeuern is always a great opportunity to meet colleagues and friends from the former programs, as well as to get to know the current and prospective students. Those who are interested in the Master program get a chance to meet everyone in a relaxed atmosphere and also get an insight into the high quality of the lectures.

For an annual fee of 200,- € you can participate in the 2-day event in Benediktbeuern for free each summer. We are also setting up workshops for all alumni to attend. No or low extra fee will be charged. High quality continuing education has never been so affordable!

Member can become every Optometry-Graduates from Aalen and colleagues who work for Aalen University.

Everybody who is interested in Optometry can sign into the event. Membership is not mandatory.

See you in Benediktbeuern
