

About Us

The Alumni Association is a non-profit organization; the members are Optometry graduates from Aalen University, especially the Master of Science in Vision Science and Business (Optometry).

The annual meeting in Benediktbeuern is always a great opportunity to meet colleagues and friends from the former programs, as well as to get to know the current and prospective students. Those interested in the Master program have the chance to meet everyone in a relaxed atmosphere and gain insight into the high quality of the lectures.

For an annual fee of 200,- € you can participate in the 2-day event in Benediktbeuern for free each summer. We are also setting up workshops for all alumni to attend. No or low extra fee will be charged. High-quality continuing education has never been so affordable!

Members can become every Optometry graduate from Aalen and colleagues who work for Aalen University.

Everybody who is interested in Optometry can sign into the event. Membership is not mandatory.

See you in Benediktbeuern

Board of Aalen Friends of Optometry e.V.
